ABOUT US

PT. Alvy Unity Source is a company engaged in the procurement of goods and services, committed to providing the best solutions for the needs of businesses, institutions, and organizations. By prioritizing professionalism, quality, and punctuality, we serve as a strategic partner capable of supporting various client needs effectively and reliably. Every service we provide is designed to meet high standards and deliver optimal results in accordance with customer needs and expectations.

Supported by an experienced, competent, and dedicated team, as well as a broad and trusted network of partners, PT. Alvy Unity Source is able to supply a wide range of procurement needs, from merchandise, corporate equipment, and operational necessities to various supporting services. We ensure that every process is carried out systematically, efficiently, and in a well-controlled manner while maintaining product quality and timely delivery. In every step we take, we uphold integrity, transparency, and responsive service to create a professional and sustainable partnership experience.

As a reliable partner, PT. Alvy Unity Source is committed to continuous growth, innovation, and delivering added value to every client. We believe that our clients' success is part of our own success; therefore, we continuously strive to provide high-quality, innovative, and competitive services to support sustainable business growth.

VISION & MISSION

Vision

To become a leading strategic partner in the procurement of merchandise goods and services that is excellent, trustworthy, and innovative by delivering high-quality, timely solutions that provide added value to every customer. We are committed to building long-term relationships through professional service, process efficiency, and the ability to adapt to dynamic market demands, thereby supporting the sustainable growth and brand image of every client.

Mission

- To provide integrated procurement solutions for merchandise goods and services, ranging from planning, production, to distribution, with the highest quality standards that are consistent and reliable.
- To optimize operational efficiency and ensure timely execution in every project process in order to deliver maximum results that meet customer expectations.
- To develop adaptive and market-oriented service innovations by continuously following trends, technology, and dynamic customer preferences.
- To build strong and sustainable partnerships with customers, vendors, and all stakeholders through effective, transparent, and mutually beneficial communication.
- To uphold professionalism, integrity, and commitment to customer satisfaction in every aspect of service as the main foundation for maintaining the company's trust and reputation.

OUR SERVICES

We provide comprehensive merchandise procurement services, starting from design concepts, material selection, production, to distribution. By prioritizing quality, punctuality, and attention to detail, we are here as a trusted solution to meet both personal and corporate needs in creating products that fully represent brand identity.

Individual

Merchandise procurement services for personal and community needs, such as custom apparel, gift sets, and souvenirs. We offer flexibility in order quantities and customizable designs according to customer needs, ensuring that every product has exclusive and personal value.

Corporate

Corporate-scale merchandise procurement services designed to support branding, promotions, and corporate gifting needs. We ensure every project is carried out professionally with high-quality standards, cost efficiency, and timely delivery, helping to enhance the company's brand image and value.

WORK PROCESS

Consultation & Planning

We begin every project with a consultation phase to understand the client's needs, concepts, and objectives for using the merchandise. At this stage, we assist clients in determining product types, materials, designs, and budget estimations to ensure the final results align with expectations and brand identity.

Design & Production

Once the concept has been agreed upon, our team develops the design and carries out the production process with the highest quality standards. We ensure every detail is executed precisely, from material selection to finishing, while also conducting quality control to maintain consistency in the final results.

With a systematic and well-structured workflow, we are committed to delivering the best results in every project, while ensuring customer satisfaction through product quality, timely delivery, and professional service.

OUR GOALS

We aim to become a trusted, professional, and customer-oriented merchandise procurement service provider. By prioritizing quality, innovation, and efficiency in every process, we are committed to delivering the best solutions that enhance the value and brand identity of every client.

Quality & Customer Satisfaction

Delivering merchandise products with high quality standards, consistency, and ensuring that every customer receives the best service and results according to their expectations. Customer satisfaction is the main priority in every project we undertake.

Innovation & Sustainable Development

Continuously innovating in services, design, and production processes by following market trends and customer needs. We are also committed to continuously improving the quality of human resources and work systems in order to provide services that are more competitive and superior.

OUR PROJECTS

We have been entrusted with handling various merchandise procurement projects for personal, community, and corporate needs across different industries. Through this experience, we understand that every project has unique characteristics, objectives, and standards, requiring the right and well-structured approach.

Every project is carried out with a professional and systematic workflow, starting from the planning stage, concept development, material selection, to the production and distribution process. We ensure that every detail is carefully managed to produce products that are not only high in quality, but also effectively represent the client's identity and brand value.

With a commitment to quality, punctuality, and responsive service, we continuously strive to deliver the best results in every project. Customer satisfaction remains our top priority, and we believe that strong collaboration will create valuable products and positive impacts for every client.

Corporate Merchandise

Merchandise procurement services for corporate needs, such as apparel, gift sets, and other branding equipment. We help clients create products that strongly and professionally represent their brand identity, with the best material quality and consistent production results.

Custom & Event Merchandise

Merchandise procurement services for events, promotions, and community activities, such as custom tote bags, souvenirs, and merchandise packages. We provide flexible solutions with customizable designs and efficient production processes, making them suitable for various scales of needs.
